

## **Solid Biosciences to Present at 39th Annual J.P. Morgan Healthcare Conference**

January 6, 2021

CAMBRIDGE, Mass., Jan. 06, 2021 (GLOBE NEWSWIRE) -- Solid Biosciences Inc. (Nasdaq: SLDB), a life sciences company focused on advancing meaningful therapies for Duchenne muscular dystrophy (Duchenne), today announced that Ilan Ganot, Chief Executive Officer, President and Co-Founder, will present at the 39th Annual J.P. Morgan Healthcare Conference on Thursday, January 14, 2021 at 8:20 am ET. Following the prepared remarks, several members of the leadership team will be available for Q&A.

Institutional investors interested in meeting with management during the conference may reach out to their J.P. Morgan representative.

A live webcast of the presentation will be available on the Events page of the Investors section of the Company website or by [clicking here](#). A webcast replay will be archived for approximately 30 days on the Events page.

### **About Solid Biosciences**

Solid Biosciences is a life sciences company focused on advancing transformative treatments to improve the lives of patients living with Duchenne. Disease-focused and founded by a family directly impacted by Duchenne, our mandate is simple yet comprehensive – work to address the disease at its core by correcting the underlying mutation that causes Duchenne with our lead gene therapy candidate, SGT-001.
