On June 22, 2018, Gilad Hayeem notified Solid Biosciences Inc. (the “Company”) of his decision to resign as President of the Company and as a member of the Board of Directors of the Company (the “Board”), effective immediately. Mr. Hayeem’s decision to resign from the Board was not due to a disagreement on any matter related to the Company’s operations, policies or practices.

In addition, on June 22, 2018, the Board elected Martin Freed as a member of the Board to fill the vacancy created by the resignation of Mr. Hayeem, effective immediately. Dr. Freed will serve as a Class III director with a term expiring at the Company’s third annual meeting of stockholders to be held following the completion of the Company’s initial public offering and thereafter until his successor has been duly elected and qualified or until his earlier death, resignation or removal. Dr. Freed was also elected to serve on the Nominating and Corporate Governance Committee of the Board. The Board has determined that Dr. Freed is “independent” as contemplated by the Nasdaq Stock Market and other governing laws and applicable regulations.

Dr. Freed, age 57, has served as an independent consultant to several private pharmaceutical, biotechnology, and healthcare companies, specializing in clinical and general pharmaceutical development and clinical and regulatory strategy since February 2015. Dr. Freed spent nearly 14 years at GlaxoSmithKline and its predecessor, SmithKline Beecham Pharmaceuticals or SmithKline Beecham, where he served numerous roles including vice president, clinical development and medical affairs in the metabolism therapeutic area. Dr. Freed currently serves on the board of directors of Dicerna Pharmaceuticals, Inc. and Sojournix, Inc., and previously served on the board of directors of InteKrin Therapeutics Inc. from 2007 to 2010. He has authored over 100 publications or presentations. Dr. Freed has been Board Certified in Internal Medicine, Nephrology and Clinical Pharmacology. There are no arrangements or understandings between Dr. Freed and any other persons pursuant to which he was elected as a director. There are no transactions in which Dr. Freed has an interest requiring disclosure under Item 404(a) of Regulation S-K of the Securities Act of 1933, as amended (the “Securities Act”).

Dr. Freed will receive compensation for his service as a non-employee director and for committee service in accordance with the Company’s director compensation program, which is described in the Company’s annual report on Form 10-K for the year ended December 31, 2017 filed with the Securities and Exchange Commission (the “SEC”) on March 29, 2018 (the “2017 Annual Report”).

In connection with his election, the Company and Dr. Freed will enter into the Company’s standard form of indemnification agreement, a copy of which was filed as Exhibit 10.16 to the Company’s Registration Statement on Form S-1 (File No. 333-222357) filed with the SEC on December 29, 2017. Pursuant to the terms of the indemnification agreement, the Company may be required, among other things, to indemnify Dr. Freed for certain expenses (including attorneys’ fees), judgments, fines and settlement amounts reasonably incurred by him in any action or proceeding arising out of his service as a director of the Company.

On June 22, 2018, the Board also elected Ilan Ganot, the Company’s current Chief Executive Officer, as the Company’s President, effective immediately.
